

Ponsaranya R

Chennai, India | [Ponsaranya.R@sc.com](mailto:Ponsaranya.R@sc.com) | [linkedin.com/in/ponsaranya-r/](https://www.linkedin.com/in/ponsaranya-r/) | [github.com/Ponsaranya](https://github.com/Ponsaranya) | Phone: +91 63743 93780

CAREER SUMMARY

**Dedicated and proactive IT professional with hands-on experience in Web development, Machine Learning, and Automation. Skilled in applying technical expertise and strong problem-solving abilities to build efficient and scalable solutions. Focused on delivering reliable outcomes with business needs. Committed to continuous learning and professional development.**

EDUCATION

|                                                                                                                                                                                                                                                                          |                                      |

TECHNICAL SKILLS

---

**Programming Languages:** C, C++, Python  
**Web Development:** HTML, CSS, JavaScript, API  
**Developer Tools:** VS Code, Jupyter Notebook, GitHub, GitHub Copilot  
**Cloud Services:** Azure DevOps, AWS Cloud Architecture, AWS Cloud Foundations  
**Machine Learning:** Supervised & Unsupervised Learning  
**Data Analysis & Visualization:** SQL, Excel, Data Analysis, Reporting, XAMPP  
**Soft Skills:** Problem-Solving, Strategic Thinking, Team Collaboration

CERTIFICATIONS

---

- **Oracle Certified Foundations Associate**
- **NPTEL - The Joy of Computing Using Python**
- **Zscaler Zero Trust Associate (ZTCA)**
- **AWS Academy (Cloud Foundation, Cloud Architecting)**

HACKATHON

---

**Tata Imagination Challenge**

- Participated in the Tata Imagination Challenge, working on innovative solutions for real-world problems.

**Mozo Hack - Developed Healthcare Application**

- Developed a healthcare application that simplifies patient management and enhances communication between healthcare providers and patients.

EXTRACURRICULAR ACTIVITIES

---

**Chess** State Level

Competed at state-level tournaments, strengthening strategic thinking, focus, and critical decision-making under pressure.
